Dear Sir:

Examiner Hasan recently contacted Applicant's Representative seeking resubmission of documents filed previously with the U.S. Patent Office. Enclosed are the following items being resubmitted at the request of the Examiner for the above-referenced Patent Application:

1. Clean copy of specification; and
2. Marked-up copy of specification.

These documents were originally submitted to the Patent Office on November 20, 2001 as a Substitute Specification as evidenced by the date-stamped postcard, a copy of which is enclosed herewith. Please note that subsequent amendments have been submitted that would amend the specification being resubmitted herewith.

There is no fee associated with this filing. However, the Director is hereby authorized to charge any deficiency in the fees filed, asserted to be filed or which should have been filed herewith (or with any paper hereafter filed in this application by this firm) to our Deposit Account No. 04-1073, under Order No. R2180.0113/P113. A duplicate copy of this paper is enclosed.

Dated: February 2, 2006

Respectfully submitted,

By
